About This Game

An half naked woman woke up in an unknown place.
Her body is covered by scary wounds.
She didn''t remember what happened...

What's her story ?
Who is telling the story ?
How many stories have developed her story ?

Your task is to help her to remind her story...but not only her's.....

This is a 3D adventure graphic point and click games using a mix of 2 and 2.5D style.

Keyboard controls:

WASD or arrow keys ---- move character
X or Return ---- interaction button

----------> Support for Controller will be added in next episodes
