About This Game

Hentai Shooter 2 World Tour is a humorous shooter in the best traditions of the old school classics! With new adventures of previous game hero - Seranul

A simple guy Seranul once again will face the threat from another world. After he returned from a parallel world and freed his house from alien slaves, beauties from another dimension decided to seize the Earth! They opened portals around the world to destroy mankind.

Embark on a dangerous journey through different countries and times! Visit Egypt, Russia, America, France, China, and the alien space station to stop the alien invasion.

Don't let the treacherous beauties seduce you. These charming girls came to Earth, not for peace and friendship! They came to our world to destroy the human race!

Use new alien weapons and exotic items! You have not seen any of this before!

Welcome to a world tour!

Features:

- You will use exotic weapons that you have not seen before, in any games!
- A bunch of sexy aliens, some dressed in seductive outfits are waiting for you!
- Oldschool gameplay.
- Retro graphics.

- **Fantastic plot.**

- **There are no words in the game, only action.**

Nice game for persons who like to shoot. It reminds me of the good old times.

This is the perfect thing to have some fun.

Girls are great!. Complete CRAP, DO NOT BUY THIS POS MONEY GRAB of a So-called Game

Not fun, lousy graphics, wonky controls, just plain S#-IT!!!!

ALL OF THE POSITIVE REVIEWS IN THIS THREAD ARE MADE BY THE AUTHOR OR THEIR CRONIES... THE GRAPHICS ARE COMPLETE CRAP... THIS GAME IS NOTHING BUT A WAY FOR THIS PUBLISHER TO GET YOUR MONEY!!! TRASH, JUNK, GARBAGE. good game to eat vagg to. Got stuck in the first room so idk 10V10. its like dark souls on steroids. Soulja boy made my flaccid peepee go hard. Game has an erecting story arch and made me pee in my dogs mouth. 10V10 best purchase. I have never seen a better game. 10V10.. Honestly, I wholeheartedly look forward to each release of the Hentai Shooter series. This one delivers and then some. I felt like it made big strides in gameplay and overall was just a rad experience with some great art.
